

THRIVE PROGRAM FACILITATOR

The Down Syndrome Connection of the Bay Area is passionate and dedicated to encouraging the unlimited potential in children and adults with Down syndrome. We empower, inspire and support people with Down syndrome, their families and the community that serve them, while fostering awareness and acceptance in all areas of life. We pride ourselves on developing services that are in line with our members' needs and continuously break down barriers to success by providing resources, technology and education through our direct services. Our Programs, THRIVE Classes, Medical Outreach Alliance, public policy outreach, education advocacy, new parent outreach, support groups and more reflect the diverse needs of our members.

THRIVE - Program Overview

Our participants THRIVE when they are **T**ogether, **H**appy, **R**espected, **I**ndependent, **V**alued, and **E**mpowered. THRIVE is a program that is social, educational and developmental, geared specifically to the needs of individuals born with Down syndrome. The program embodies a unique combination of cognitive skills and social/behavioral interaction. The curriculum encompasses a wide range of activities. THRIVE is conducted by age group, with a focus on developing strong core strength, gross and fine motor skills, as well as social and friendship-building skills. For the younger aged classes, activities include obstacle courses, sensory based tasks, art, and music. For teens and adults, the three primary areas of focus are social/friendship, leisure/recreation, and inter/independent living.
